DECISION
ON PETITION UNDER
37 CFR 1.137(b)

Applicant's "Petition For Revival of an Application For Patent Abandoned Unintentionally Under 37 CFR §1.137(b)," filed in the above-captioned application on 21 December 2004 is **GRANTED**.

Applicant states that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional, in satisfaction of 37 CFR 1.137(b)(3). The petition fee and basic national fee have been submitted. A terminal disclaimer is not required as the application was filed on or after 08 June 1995. Accordingly, all requirements under 37 CFR 1.137(b) have been satisfied.

Applicant submitted a signed declaration during the international phase, but it did not accompany the original submission and did not identify the application to which it was directed. As such, it is not sufficient.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations for continued processing in accordance with this decision, including the mailing of a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that an oath or declaration in compliance with 37 CFR 1.497(a)-(b) and the surcharge for late filing of the oath or declaration are required.
